

BARGAINING REPORT #2

2011 NEGOTIATIONS WITH EXPERTECH FOR CEP CRAFT & SERVICES MEMBERS

September 30, 2011

Brothers and Sisters,

The Bargaining Committee met with the Company this week to start the negotiations process, with an exchange of documents on September 27th, 2011.

As we indicated in our first report, the Union and Employer demands can be found on the CEP National website www.cep.ca.

The Employer is once again looking for concessions from the membership.

We ask that you continue to ignore any rumours that you may hear and do not propagate them, as they undermine the bargaining process.

In Solidarity
